Mr. Rick Walters, President
ERICKSON'S FLOORING & SUPPLY
1013 Orchard
Ferndale, MI 48220

Subject: Recent Donation

Mr. Walters;

On behalf of the Troy Fire Department, I would like to personally express our gratitude for your donation of flooring materials and labor for our new fire station, located at 2400 W. Big Beaver. The materials you have selected will add warmth and richness to the office area.

The Troy Fire Department is a service-oriented business. To maintain the high level of service requires a good relationship between local government and the business community it serves. We are proud to include you as one of our partners.

Once again, thank you for your support.

Protectively,

William S. Nelson,
Fire Chief
