Dear Friends:

You did it!!!

Once again, with the help of our awesome sponsors and News/Talk 760 WJR, the Adopt-A-Family Christmas program met our goal for 2005 sponsoring 2,500 families with 10,084 children and 97 seniors.

In a year of economic woes, ongoing wars and devastating natural disasters across the world, I am in awe of the generous sponsors that answered the call of those less fortunate. Our program gained momentum through the holiday season and came though with a strong finish! You helped make it happen and we appreciate you!

The assistance you offered for this event – sponsoring a family, donating clothes, toys, food items, helping us make deliveries, or simply volunteering your time is sincerely appreciated. Our program success depends greatly upon the backing we receive from sponsors, and we certainly couldn't do this wonderful work without you!

WJR has been a dedicated supporter of the Adopt-A-Family Christmas program since 2002 and has allowed Volunteers of America Michigan to get the stories of those in need out to those who can assist. Their support has been immeasurable. We are proud to be a part of their philanthropic efforts and thank them tremendously.

As Volunteers of America Michigan gears up and becomes energized about a new year of service, we just wanted to say THANKS and best wishes for the coming year.

Gratefully,

Alex Brodrick
